

# Allergen INFORMATION

Village Inn has made every effort to ensure that the allergen information provided below is accurate. However, because of the handcrafted nature of our menu items, the variety of procedures used in our kitchens and our reliance on our suppliers, we cannot make any guarantees as to its accuracy, and disclaim liability for its use. The material below is provided for informational purposes only and is not meant as a substitute for advice provided by a healthcare professional. Some items may vary by restaurant location. This information only applies to corporate-owned restaurants and is current as of February 16, 2015.

If you have food allergies, please be aware that we use milk, eggs, tree nuts, peanuts, seafood, soy, wheat, sesame products, crustacean shellfish, fish, sulfites and other allergens in our kitchens. All items are prepared in common areas and may come in contact with or contain traces of these products and other potential allergens or ingredients.
